

# SPECIAL EVENT CLEARWAYS

14 March 2022

Reference: BRD09

## SPECIAL EVENT CLEARWAYS ON BOTANY ROAD (25 – 28 MARCH)

John Holland will be carrying out work on behalf of ARTC on O’Riordan Street, Mascot as part of the Botany Rail Duplication project. This project will result in a new double-track bridge designed to increase capacity on the Botany Line and wider Metropolitan Freight Network.

Construction for this project can only take place during planned trackwork on the Botany Line.

It is important to make this work as safe as possible for workers and road users. Closing roads and removing traffic allows work to be carried out safely and efficiently.

To support this work:

- O’Riordan Street will be closed between Qantas/Joyce Drive and Robey Street from 11pm Friday 25 March to 5am Monday 28 March 2022.
- Southbound vehicles will be diverted eastbound into Gardeners Road and can continue southbound by turning right into Botany Road.
- **During the closure, Special Event Clearways will be in place on the eastern side of Botany Road (southbound) between Gardeners Road and Wentworth Avenue.**

These clearways will make an additional lane available for southbound motorists and will improve traffic flow on this section of Botany Road.

Special event clearways are strict no-parking zones and also apply to local residents and Mobility Scheme Parking Permit holders. Vehicles left in clearways will be towed and fines will apply.

Please refer to the map overleaf for the Botany Road special event clearways.

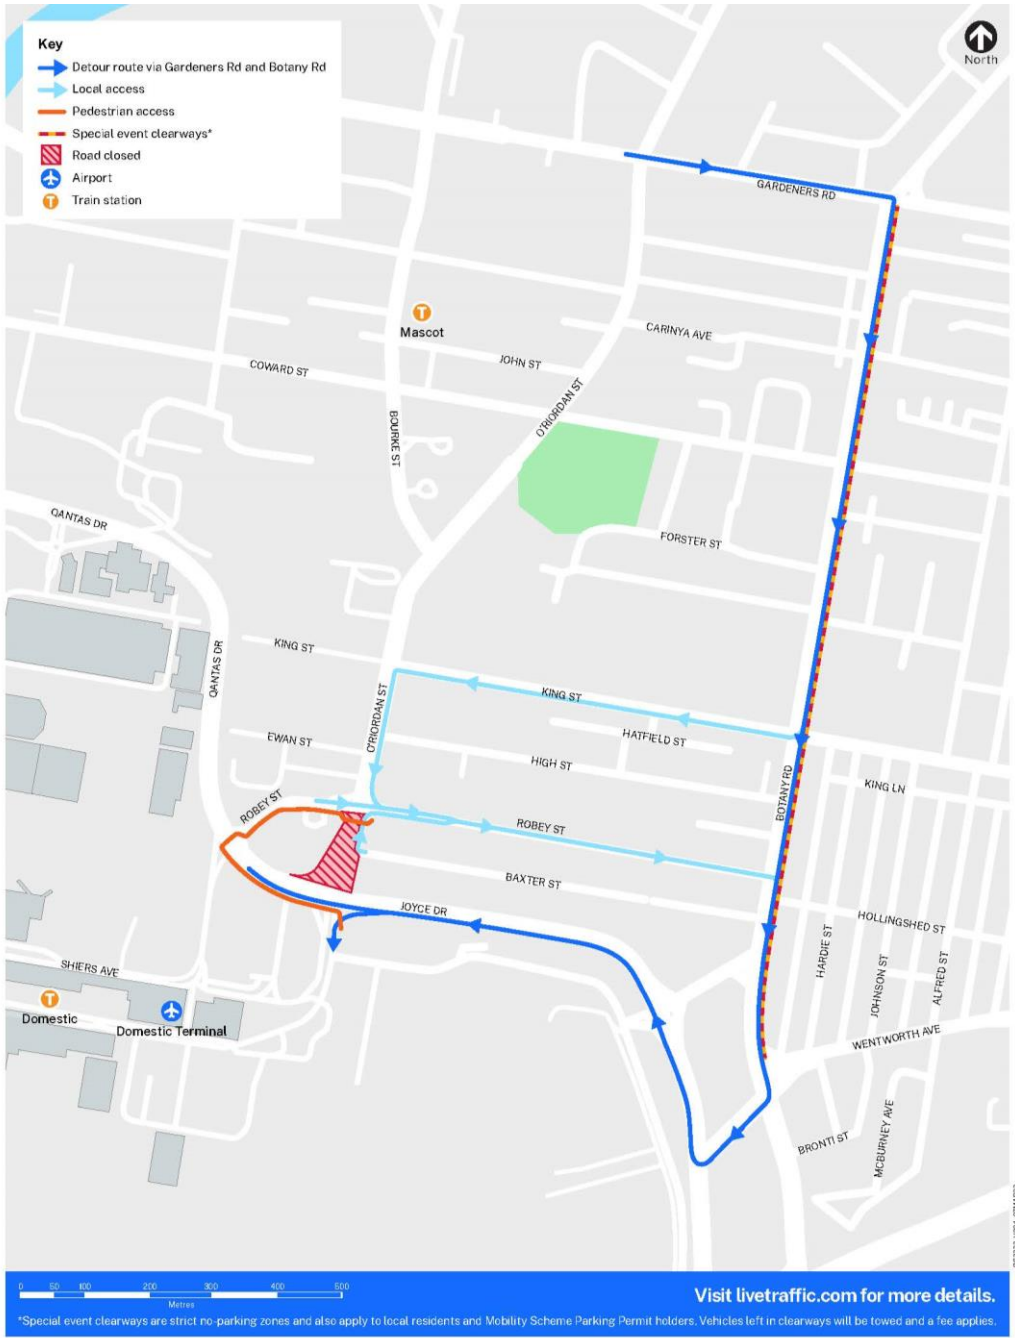

Thank you for your patience while this work takes place.

Further road and lane closures may also be required to support the Botany Rail Duplication project and information will be provided in advance of future works.

For further information about the Botany Rail Duplication project or to provide feedback, please contact **ARTC Enviroline on 1300 550 402**, email **botanyduplication@jhg.com.au** or **write to: Level 3, 65 Pirrama Road, Pyrmont NSW 2009** and quote reference number **BRD09**.

Visit [livetraffic.com](http://livetraffic.com) for more information about the closure. Plan your trip on public transport at [transportnsw.info](http://transportnsw.info)

**SPECIAL EVENT CLEARWAYS LOCATION**

This document contains important information about road projects in your area. If you require the services of an interpreter, please contact the Translating and Interpreting Service on 131 450 and ask them to call the project team on 1300 550 402. The interpreter will then assist you with translation.
