

# ROBEY STREET ROAD CLOSURE

3 February to 6 February

Reference: BRD30

## SPECIAL EVENT CLEARWAY ON BOTANY ROAD (4 & 5 FEBRUARY)

John Holland will be carrying out works on behalf of ARTC at Robey Street, Mascot. These works are required for the Botany Rail Duplication. This will include the removal of the existing single track Robey Street bridge to make way for a new double track bridge that will allow for increased capacity on the Botany Rail Line.

It is important to make this work as safe as possible for workers and road users. Closing the road and removing traffic allows work to be carried out safely and often in a shorter amount of time.

To support this work:

- Robey Street will be closed between Qantas Drive and O’Riordan Street from **11pm, Friday 3 February to 4.30am, Monday 6 February**
- Detour route to Sydney CBD will be via Qantas Drive/Joyce Drive, Wentworth Avenue and Botany Road
- During the closure, a **Special Event Clearway will be in place on the western side of Botany Road (northbound), between Gardeners Road and Wentworth Avenue from 6am to 7pm on Saturday 4 February and Sunday 5 February.**

This clearway will make an additional lane available for northbound motorists and will improve traffic flow on this section of Botany Road. This means no parking will be available outside Botany Road businesses where the clearway is in place. We apologise for any inconvenience this will cause and thank you for your patience while this work takes place.

Special event clearways are strict no-parking zones and also apply to local residents and Mobility Scheme Parking Permit holders. Vehicles left in clearways will be towed and fines will apply.

Please refer to the map overleaf for the Botany Road special event clearways.

If required, short-term closures of Robey Street may also take place overnight between **Monday 6 and Friday 10 February**. No clearway will be in place for these closures if they are implemented.

For further information about the work or to provide feedback, please contact **ARTC Enviroline on 1300 550 402**, email [botanyduplication@jhg.com.au](mailto:botanyduplication@jhg.com.au) or write to: **Level 3, 63 Pirrama Road, Pyrmont NSW 2009** and quote reference **number BRD30**.

Visit [livetraffic.com](http://livetraffic.com) for more information about the road closure. Plan your trip on public transport at [transportnsw.info](http://transportnsw.info).
