

O'RIORDAN STREET ROAD CLOSURE

August 2023

Reference: BRD38

SPECIAL EVENT CLEARWAY ON BOTANY ROAD (26 & 27 AUGUST)

John Holland will be carrying out works on behalf of ARTC on O'Riordan Street, Mascot. These works are required for the Botany Rail Duplication. This will include the removal of the O'Riordan Street bridge and construction of a new bridge and track that will allow for increased capacity on the Botany Rail Line.

Construction for this project can only take place during pre-planned track closures.

We will also be closing O'Riordan Street for 54-hours, to allow the work to take place. It is important to make this work as safe as possible for workers and road users. Closing roads and removing traffic allows work to be carried out safely and often in a shorter amount of time.

To support this work:

- O'Riordan Street will be closed between Robey Street and Joyce Drive from **11pm, Friday 26 August to 5.00am, Monday 28 August**
- Detour route to the Airport will be via Gardeners Road, Botany Road and Joyce Drive
- During the closure, a **Special Event Clearway will be in place on the eastern side of Botany Road (southbound), between Gardeners Road and Wentworth Avenue from 6am to 7pm on Saturday 26 August and Sunday 27 August.**

This clearway will make an additional lane available for southbound motorists and will improve traffic flow on this section of Botany Road. This means no parking will be available outside Botany Road businesses where the clearway is in place. We apologise for any inconvenience this will cause and thank you for your patience while this work takes place. Please allow extra time for your travel and parking.

Special event clearways are strict no-parking zones and also apply to local residents and Mobility Scheme Parking Permit holders. Vehicles left in clearways will be towed and fines will apply.

Please refer to the map overleaf for the Botany Road special event clearway.

If required, lane closures on O'Riordan Street may also take place overnight from **Monday 28 August to Wednesday 30 August**. No clearway will be in place for these closures if they are implemented.

For further information about the work or to provide feedback, please contact **ARTC Enviroline on 1300 550 402**, email botanyduplication@jhg.com.au or write to: **Level 3, 63 Pirrama Road, Pyrmont NSW 2009** and quote reference number **BRD38**.

Visit livetraffic.com for more information about the road closure. Plan your trip on public transport at transportnsw.info.
