

# CABRAMATTA LOOP PROJECT

13 April 2023

CLP\_28

The Cabramatta Loop Project will increase rail freight capacity on the Southern Sydney Freight Line by constructing a new 1.65km section of track, allowing freight trains travelling in either direction to pass each other. Fulton Hogan is designing and constructing the Cabramatta Loop Project for ARTC.

## RAIL CORRIDOR AND BROOMFIELD STREET WEEKEND WORK

We have limited opportunities throughout the year when we can access the rail corridor. From **2am Saturday 22 April to 10pm Sunday 23 April 2023**, there is a pre-planned railway track closure for the Cabramatta Loop Project. More information about the works can be found in the table below and maps showing the work locations can be found at the end of this notification.

LOCATION	WORK
Cabramatta	<ul style="list-style-type: none"> <li>Track work (including cutting the tracks, tamping, unloading and storing tracks), signalling work, excavating, earthworks, drainage installation and cable pulling</li> <li>Concrete breaking, hammering and pouring concrete as part of noise wall works on Broomfield Street</li> </ul>
Warwick Farm	<ul style="list-style-type: none"> <li>Track work (including cutting the tracks, tamping, unloading and storing tracks), signalling work, excavating, earthworks, drainage installation and cable pulling</li> <li>Signalling work, excavating, earthworks, drainage installation and cable pulling</li> </ul>
Lansvale	<ul style="list-style-type: none"> <li>Signalling work, excavating and cable pulling</li> </ul>
Liverpool	<ul style="list-style-type: none"> <li>Signalling work, excavating and cable pulling</li> </ul>

### EQUIPMENT

Equipment used will include excavators, vacuum trucks, traffic control signs and barriers, a rail saw, a tamper, vibratory rollers, power hand tools, hammering and concrete breaking equipment, surveying equipment, construction vehicles, lighting towers and work trucks.

### PARKING CHANGES

From **2am Saturday 22 April 2023 to 10pm Sunday 23 April 2023**, we will **temporarily** close a number of car parking spaces to allow the safe set up of machinery outside the rail corridor. Parking spaces will be closed at the below location, as required:

- Cabramatta East Station** angle parking – around 10 car parking spaces in Broomfield Street (opposite Cabravale Leisure Centre) to allow equipment and trucks to safely access the rail corridor (see **Map 2** on page 2). Traffic control will be operating a stop-go set up at this location.

## HOW MIGHT THIS WORK AFFECT YOU?

Some of this work may be noisy and disruptive, however every effort will be made to keep noisy works to a minimum and reduce impacts to the community wherever possible. Some of the measures we will use include turning off equipment when not in use, setting up noise blankets around work sites where possible and using non-tonal ('white noise') reversing alarms on vehicles.

Works will be monitored to make sure noise levels are being managed effectively. You can find out more information about noise and vibration in the fact sheet on our website [cabramattaloop.com.au](http://cabramattaloop.com.au). More project information is available on our Vietnamese Page: **Tổng quan Dự án**

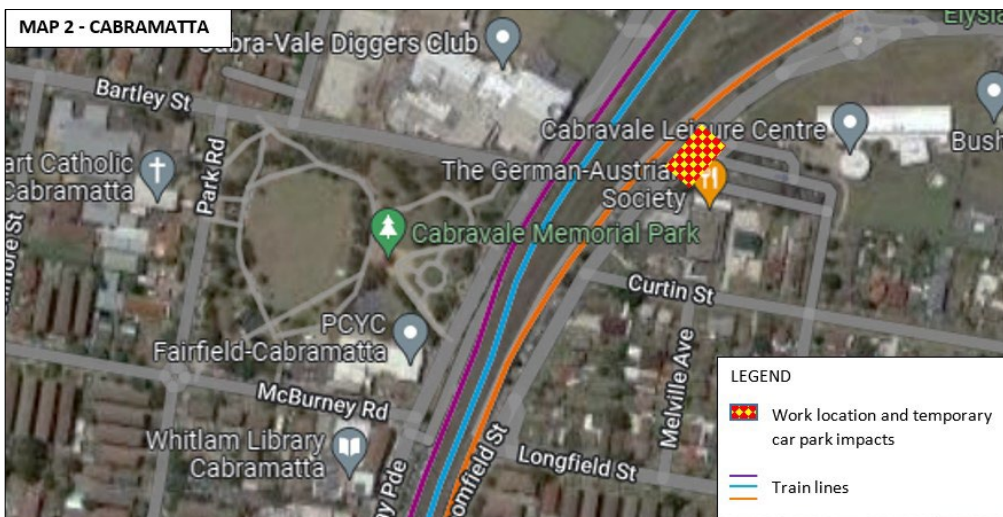

Due to the frequent wet weather we are experiencing, the project area is subject to flooding and the timing of these works may change. Please contact the project team if you have any concerns. We appreciate your continued patience and understanding while we carry out this important work.

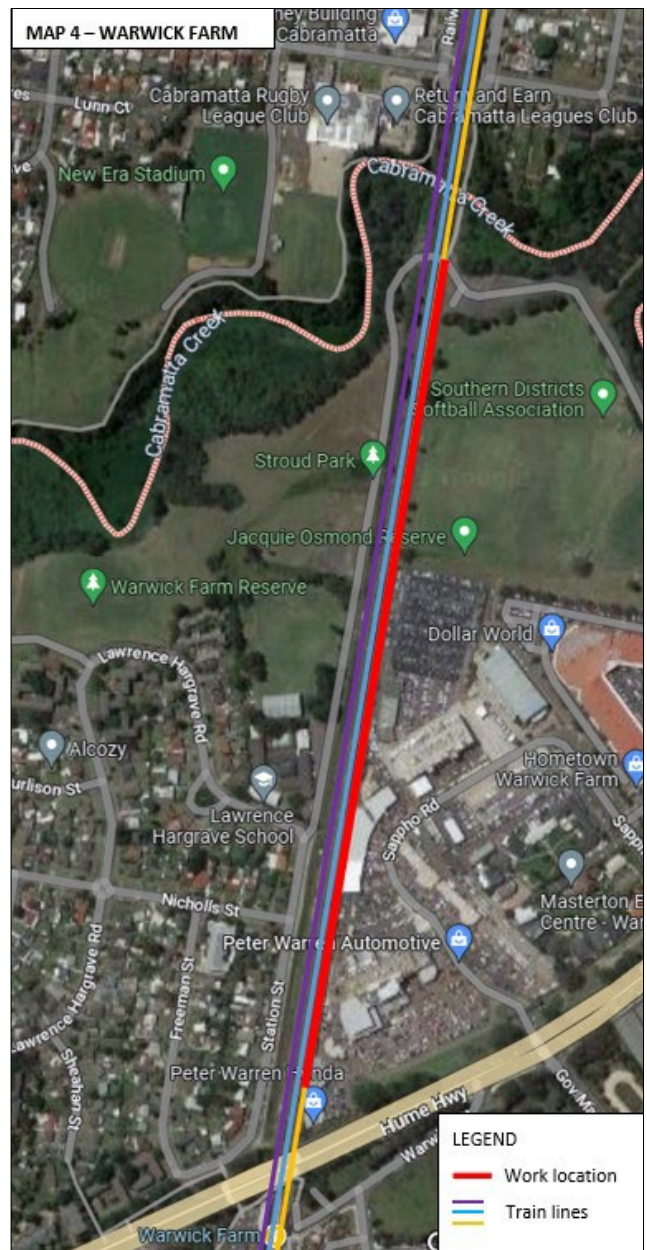

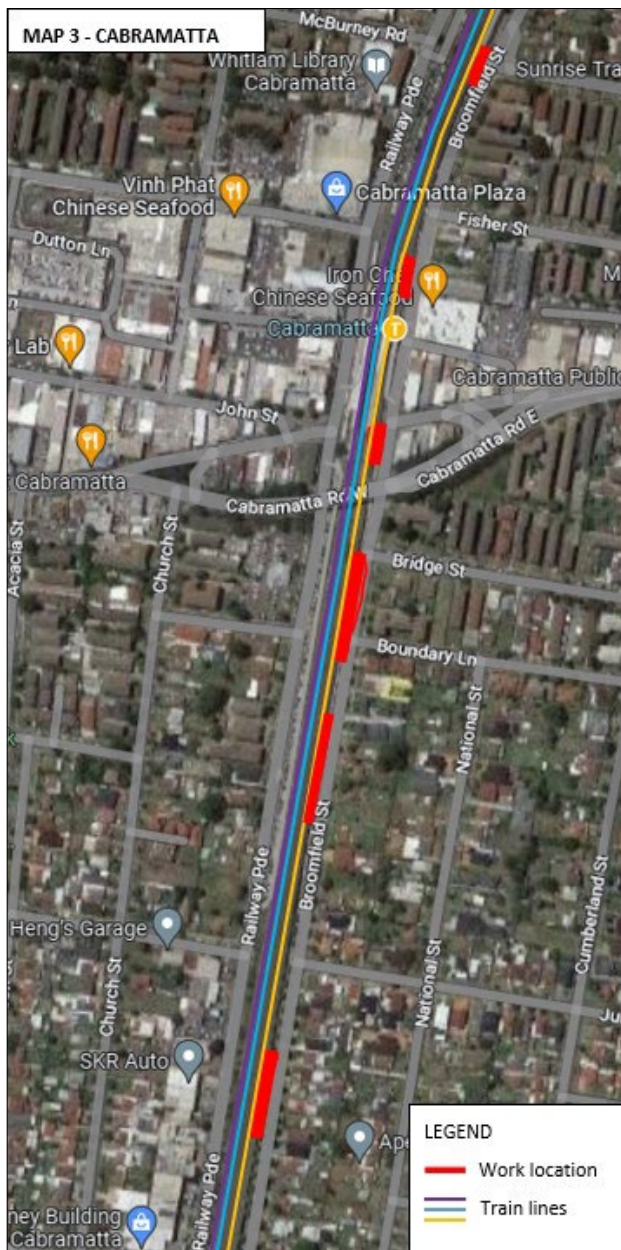

## CONTACT US

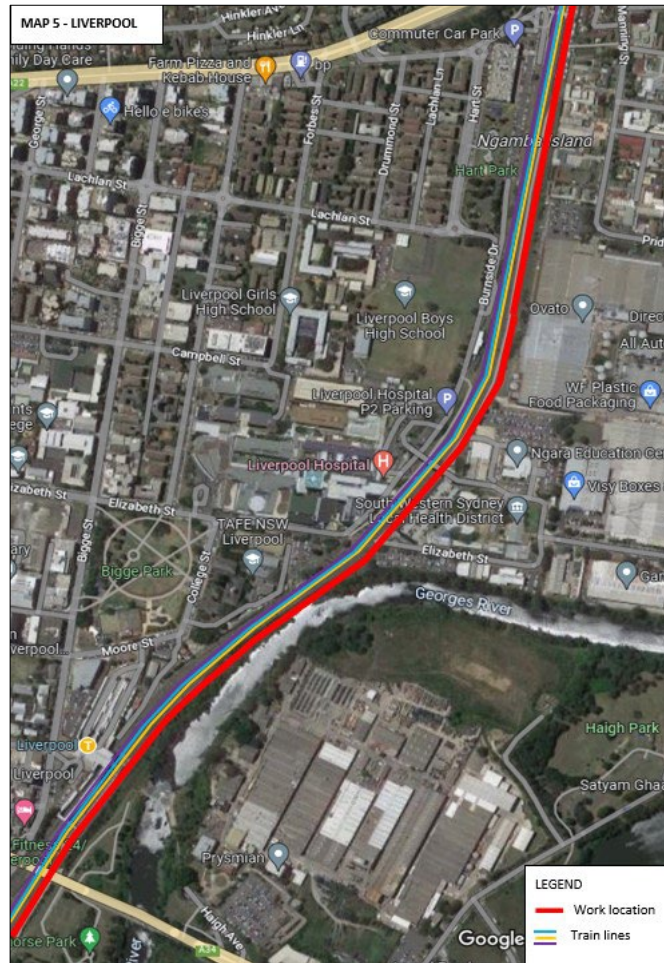

To provide feedback about these works, working times, durations or respite measures, **please call our 24-hour Enviroline on 1300 550 402, email [cabramattaloop@fultonhogan.com.au](mailto:cabramattaloop@fultonhogan.com.au) or mail PO BOX 6099, Alexandria NSW.**

For information on passenger train impacts, please contact Transport for NSW on 131 500 or visit [transportnsw.info](http://transportnsw.info).

## MAPS SHOWING WORK LOCATIONS

### Translation and Interpretation Services

Please call **131 450** and ask them to call the project team on **1300 550 402**.

#### Vietnamese

Dịch vụ Thông Phiên Dịch – vui lòng gọi số 131 450 và nhờ họ gọi cho toán phụ trách dự án qua số 1300 550 402.

#### Chinese Simplified

翻译与传译服务——请致电131 450，并请他们接通项目团队电话1300 550 402。

#### Arabic

خدمة الترجمة التحريرية والشفهية - اتصل على الرقم 131 450 واطلب منهم الاتصال بفريق المشروع على الرقم 1300 550 402.

#### Khmer

សេវាកម្មបកប្រែភាសា - សូមទូរស័ព្ទទៅលេខ 131 450 ហើយសុំឲ្យគេទូរស័ព្ទទៅក្រុមការងារគម្រោងតាមលេខ 1300 550 402។

#### Chinese Traditional

翻譯與傳譯服務——請致電131 450，然後要求他們接通項目工作組電話1300 550 402。
