

REMINDER: **SUSSEX STREET ROAD CLOSURE** April 2023

The Cabramatta Loop Project will increase rail freight capacity on the Southern Sydney Freight Line by constructing a new 1.65km section of track, allowing freight trains travelling in either direction to pass each other. Fulton Hogan is designing and constructing the Cabramatta Loop Project for ARTC.

**ROAD CLOSURE SUSSEX STREET – Tuesday 11 April – Tuesday 16 May**

To complete our work safely and efficiently, we will need to close a small section of road under the rail line on Sussex Street for **five weeks** from **Tuesday 11 April to Tuesday 16 May 2023 (inclusive)**. Works will include bridgeworks, noise panel relocation, stormwater drainage/sewer installation, footpath, kerb and gutter concreting, asphaltting, landscaping and signage installation for the Sussex Street bridge as well as work on underground services upgrades. The work will take place during standard construction hours.

We will monitor noise during the work so we can manage impacts and adjust our work, where possible. During this time, cycling and pedestrian access will be maintained through the area, including along the shared path between Sussex Street and Jacque Osmond Reserve. We ask that you follow the directions of traffic controllers and project signage in the area. We appreciate your patience and understanding while we carry out this work.

If you have any questions, please contact us on 1300 550 402 or email [cabramattaloop@fultonhogan.com.au](mailto:cabramattaloop@fultonhogan.com.au).
