

CABRAMATTA LOOP PROJECT

June 2023

CLP_35

The Cabramatta Loop Project will increase rail freight capacity on the Southern Sydney Freight Line by constructing a new 1.65km section of track, allowing freight trains travelling in either direction to pass each other. Fulton Hogan is designing and constructing the project for ARTC.

BROOMFIELD STREET TEMPORARILY CLOSED BETWEEN BOUNDARY LANE AND JUNCTION ROAD

The temporary road closure previously planned for early June is now planned for mid-July.

Broomfield Street, Cabramatta will be temporarily closed to motorists between Boundary Lane and Junction Road for three consecutive days between **Monday 17 July** and **Friday 28 July 2023**, to install new stormwater drainage. The timing of these works is subject to the weather and may change.

The work will be done during standard construction hours which are **7am to 6pm Monday to Friday**, and **8am to 1pm Saturdays**. The road will be closed during the day and night for the three days. Due to the nature of construction activities, exact timing of the closure will be confirmed closer to the work taking place – please follow road signs, the speed limit and the directions of traffic controllers.

To protect the safety of the community and our workers, a detour will be put into place via Boundary Lane, National Street and Junction Street, Cabramatta. The detour map can be found on the next page. If you live or are visiting a property in the closed section of Broomfield Street, please speak to the traffic controller and they will provide you with vehicle access to your property.

HOW MIGHT THIS WORK AFFECT YOU?

The work will include excavating, hammering, installing new stormwater drainage and backfilling. Every effort will be made to keep noisy works and dust to a minimum and reduce impacts to the community wherever possible.

CONTACT US

For more information about these works or the Cabramatta Loop Project, you can contact our team by phone on **1300 550 402**, email cabramattaloop@fultonhogan.com.au, or mail **PO BOX 6099, Alexandria NSW**.

Translation and Interpretation Services

Please call 131 450 and ask them to call the project team on 1300 550 402.
