

CABRAMATTA LOOP PROJECT

5 February 2024

CLP_51

The Cabramatta Loop Project will increase rail freight capacity on the Southern Sydney Freight Line by constructing a new 1.65km section of track, allowing freight trains travelling in either direction to pass each other. Fulton Hogan is designing and constructing the Cabramatta Loop Project for ARTC.

STATION STREET TEMPORARILY CLOSED FOR ROAD RESURFACING WORK

Road resurfacing activities will take place on **Station Street between Lawrence Hargrave Road and Jacque Osmond Reserve**, for two days between **Wednesday 14 February and Wednesday 21 February 2024**.

The resurfacing will be carried out during standard construction hours, which are 7am to 6pm Monday to Friday and 8am to 1pm on Saturdays.

This work will improve access along this section of the road for pedestrians, cyclists and motorists.

TRAFFIC AND PEDESTRIAN CHANGES

An alternative route will be set up during the road resurfacing activities via Station Street/Hume Highway/Sappho Road/Jacque Osmond Reserve/Broomfield Street. Refer to the detour map on the next page.

EQUIPMENT

Equipment used will include road pavers and profilers, construction trucks, rollers and street sweepers.

HOW MIGHT THIS WORK AFFECT YOU?

Some of this work may be noisy and disruptive, however every effort will be made to keep noise to a minimum and reduce impacts to the community wherever possible. Noise-reducing measures include turning off equipment when not in use and using non-tonal reversing alarms on vehicles.

CONTACT US

For more information about these works or the Cabramatta Loop Project, you can contact our team by phone on **1300 550 402**, email **cabramattaloop@fultonhogan.com.au**, or mail **PO BOX 6099, Alexandria NSW**.
