

NARRABRI TO TURRAWAN LINE UPGRADE

12 June 2023

WHAT ARE WE DOING?

The Narrabri to Turrawan Line Upgrade (N2TLU) involves the upgrade of 35km of track between the Hunter Valley Coal Network and Inland Rail.

The project will be delivered from Narrabri Coal Junction at Whitehaven Coal, south of Turrawan, to the future interface with Inland Rail at Narrabri North.

Works include the replacement of existing steel and timber sleepers with heavy duty concrete sleepers, replacement of the existing rail with upgraded rail, and earthworks.

OUT OF HOURS WORK IN THE RAIL CORRIDOR

We are planning to work outside standard construction hours near Narrabri Station and in the rail corridor at Narrabri North. A map of the work area is shown on page 2 of this notification (Map 1).

Information about dates, locations and work activities is listed in the table below. Works will occur between **8am** and **6pm**, weather permitting.

LOCATION	DATE	WORK
Reid Street project compound, Narrabri	• Saturday 16 June to Sunday 17 June 2023	Pre-work briefings, vehicle and equipment movements
Narrabri North (near Horse Arm Creek bridge)		Track work including removing ballast (the rock layer underneath the tracks), replacing sleepers, and associated works required to complete the upgrade of the rail track

EQUIPMENT

The equipment to be used will include front end loaders, excavators, rollers, traffic control equipment, delivery trucks, semi-trailers, delivery floats, small motor tools and construction vehicles.

TRAFFIC CHANGES

If required, traffic control will be put in place to minimise any impacts to the community.

HOW COULD THIS WORK AFFECT YOU?

This work may be noisy and disruptive, however every effort will be made to keep noisy works to a minimum and reduce impacts to the community wherever possible. Some of the measures we may use include turning off equipment when not in use, setting up noise blankets around work sites and using non-tonal ('white noise') reversing alarms on vehicles.

CONTACT US

To provide feedback about these works, working times, durations or respite measures, please call our 24-hour Enviroline on 1300 550 402 (mention 'Narrabri to Turrawan') or by emailing nswprojects@artc.com.au.

You can find out more information about the project and upcoming works by visiting our website artc.com.au/n2tupgrade.
