

NARRABRI TO TURRAWAN LINE UPGRADE

5 December 2023

WHAT ARE WE DOING?

The Narrabri to Turrawan Line Upgrade (N2TLU) involves the upgrade of 35km of track between the Hunter Valley Coal Network and Narrabri North.

Works include the replacement of existing steel and timber sleepers with heavy duty concrete sleepers, replacement of the existing rail with upgraded rail, and earthworks.

OUT OF HOURS WORK IN THE RAIL CORRIDOR

We are planning to work outside standard construction hours within the existing rail corridor between Narrabri and Turrawan. A map of the work area is shown on the next page of this notification.

Information about dates, locations and work activities is listed in the table below. Works will occur between **7am** and **5pm**, weather permitting.

LOCATION	DATES	WORK
Rail Corridor north of Narrabri and near the Newell Highway	<ul style="list-style-type: none">Saturday 9 December and Sunday 10 December 2023	Rerailing and associated works required to complete the upgrade of the rail track

EQUIPMENT

The equipment to be used will include excavators, front end loader trucks and power hand tools..

TRAFFIC CHANGES

If required, traffic control will be put in place to minimise any impacts to the community.

WORK DURING STANDARD HOURS

We are also working during standard construction hours in **December 2023**. Work hours are **7am to 6pm Monday to Friday** and **8am to 1pm Saturday**, weather permitting. Work activities will take place at various locations within and near the rail corridor between Narrabri and Turrawan and will include: delivery of materials, surveying, rerailing, resleepering and tamping.

HOW COULD THIS WORK AFFECT YOU?

This work may be noisy and disruptive, however every effort will be made to keep noisy works to a minimum and reduce impacts to the community wherever possible. Some of the measures we may use include turning off equipment when not in use and using non-tonal ('white noise') reversing alarms on vehicles.
